Precision Laser Technology (PLT) is committed to protecting any personal information that you may provide to us. In particular, we believe it is important for you to know how we treat information about you that we may receive from this Web site.

#### **Information Collected**

In general, you can visit this Web site without telling us who you are or revealing any information about yourself. Our web servers collect the domain names, not the e-mail addresses, of visitors. Our web servers also seek (as many Web sites do) to place a "cookie" (a small data file) on your computer's hard drive which allows the server to determine the computer when it visits again, in order to track statistical information about navigation to and throughout certain areas of our site, and to PLT promotions on other sites. This cookie is not used to obtain your name or any personal data, and the information that is tracked is used only for internal purposes, such as to improve site navigation and to measure the effectiveness of our promotional placements, and is not shared with anyone other than PLT affiliates and contractors who assist PLT in these efforts and are bound to confidentiality. However, if you prefer not to accept cookies, you can set your browser to reject them or to alert you before one is placed.

In addition, there are portions of this Web site where we may need to collect personal information from you for a specific purpose, such as to provide you with certain information you request. The information collected from you may include your name, address, telephone, fax number, or e-mail address.

This Web site is not intended for persons under 13 years of age. We do not knowingly solicit or collect personal information from or about children, and we do not knowingly market our products or services to children.

#### **Use of Collected Information**

Domain name information that we collect is not used to personally identify you and instead is aggregated to measure the number of visits, average time spent on the site, pages viewed, etc. We use this information to measure the use of our site and to improve the content of our site.

When other information is collected from you, such as your name and e-mail address, we generally let you know at the time of collection how we will use the personal information. Usually, we use the personal information you provide only to respond to your inquiry or to process your request (such as to process an RFQ). This information may be shared with other PLT affiliates, but only if necessary to fulfill your request or for related purposes.

We may share the personal information you provide with other companies we have hired to provide services for us. These companies - our vendors - are contractually bound to use personal information we share with them only to perform the services we have hired them to provide. We do not share, sell, or lease personal information about you to any third parties for their marketing use. We will release information about you if you direct us to do so, if we are required by law to do so, or in other legally limited circumstances (for example, to protect your account from fraud).

#### **Links to Other Sites**

PLT's Web site may contain links to other sites such as suppliers, customers and sales affiliates. While we try to link only to sites that share our high standards and respect for privacy, we are not responsible for the content, security, or privacy practices employed by other sites.

#### **Security of Collected Information**

We maintain strict physical, electronic, and administrative safeguards to protect your personal information from unauthorized or inappropriate access. We restrict access to information about

you to those PLT workers who need to know the information to respond to your inquiry or request. Workers who misuse personal information are subject to disciplinary action.
